## Crafting Spiritual Maturity and a Strong Biblical Faith

*Consider each question below. Answer them as honestly and thoroughly as possible. Don't think about what the "right answer is," only your thoughts as they are right here and now.*

Ask your leader or parent for further explanation of each question if needed.

1. What do you love the most?

2. What are you most focused on?

3. Are you willing to take risks?

4. How do you define sin?

5. How often do you talk about Jesus to others?

6. Explain your idea of love according to the Bible?

7. Who do you trust and rely on the most? Explain why.

8. What are your reasons for believing? Or withholding belief?

9. How thorough is your knowledge of the Bible? How does your faith apply to the rest of your life?

10. Do you believe God created you for a specific purpose? Why or why not? If so, how do you plan to use your gifts for the kingdom?
